

Clarifications to Technical queries [Meeting held at 11 am on 27th Nov 2015]

1. It is clarified that there is no change in the requirement of modules that are specified in the RFP.
2. It is clarified that AcSIR will facilitate interfacing the payment gateway with SBI.
3. Referring to the table under Section 3 b) of Part-I (Technical RFP) (on page 10), it may be noted that Annexures provided by the vendors can mention options for any case, if required. For example, in the case of Hardware, Annexure-I can contain two options, namely,
 - i) In- house
 - or ii) Cloud.

Please note that in the commercial bid, corresponding cost need to be suitably mentioned against each option.
4. Technical evaluation and Short listing will be based on technical bids only.
5. System demonstration / presentation by shortlisted vendors will also form part of the technical evaluation.
6. As far as the Financial Accounting System module is concerned, legacy data with effect from 01.04.2014 has to be migrated in the AMS.
