

Academy of Scientific &
Innovative Research

Set up by an Act of Parliament, An Institute of National Importance

**Ph.D & Direct Ph.D
in Science**

Ph.D & Direct Ph.D in Science

WHY STUDY AT AcSIR?

The objective of AcSIR is pursuit of excellence as well as doing something relevant. We promote the culture of being singularly dynamic and innovative. The Academy was established by a Resolution of the Parliament in 2010 and received recognition as an “Institution of National Importance” by the Academy of Scientific and Innovative Research (AcSIR) Act 2011. The Academy aims to maximize the number of qualified researchers and professionals of impeccable quality in the domain of science and engineering; and to equip them with the skills to innovate and conduct seamless interdisciplinary research.

FACULTY

There are over 2,500 Scientists of CSIR as Faculty members of AcSIR along with Eminent Academy Professors, Distinguished Emeritus Professors and Adjunct Faculty members from reputed institutions and companies.

ABOUT PROGRAMS

The programs equip students to undertake interdisciplinary research by providing a broad-based practical training in best in the class national laboratories of CSIR. The Programs are structured around academic coursework (as per program requirement) and mandatory courses viz. one Project Proposal & one Review Article writing; and CSIR-800 project; and research leading to Ph.D degree.

ELIGIBILITY CRITERIA

1. Ph.D in Sciences

Candidates with a Master’s degree in Science or B.S (of 4 years duration) or Bachelor’s degree in Engineering/ Technology, Medicine, with a keen sense of scientific enquiry for pursuing advanced research in frontier areas of Biological, Chemical, Physical and Mathematical & Information Sciences leading to a Ph.D. degree.

Project Assistants, Senior Research Fellows and CSIR Scientists as per AcSIR Ordinance No. 3.6.2.

2. Direct Ph.D in Sciences

Candidates having following qualifications are eligible to apply:

- Undergraduate degree in Science or allied subjects with at least 8.5/85% and/or 1st rank holder in University/ Institution

The candidate should be having a valid National level fellowship (JRF/ SRF of various funding agencies, e.g. CSIR, UGC, DBT, DST etc.), INSPIRE or other equivalent fellowships.

Candidates whose final results are awaited, but who are otherwise eligible as per the screening criteria, can also apply. If selected, they will be provisionally admitted to the program. Their continuation in the program will be subject to securing required percentage/ equivalent grade (depending on the cut-off marks for screening for the specific program) and submission of marks-sheet of their final result by October 31, of the year of admission.

ADMISSION PROCESS

The candidates can exercise a maximum of three preferences for Labs. Candidates will be screened based on their preferences given. However, it does not give any right to the candidate to determine their preference/ choice, as the selection is purely based on merit/ performance and/ or available vacancies. Please visit AcSIR website (<http://acsir.res.in>) for details of on-line application form submission and additional details.

Short-listed candidates for the program will be intimated electronically and they will be required to appear for interview for selection at the designated centers on the dates announced. Details of date of interview at different laboratories/ centers will be posted on the AcSIR website (<http://acsir.res.in>).

In addition to their academic performance and/ or depending on the vacancies, final selection will be based on performance of the candidate in the interview.

Reservation shall be applicable as per GoI rules.

ACADEMIC REQUIREMENTS

Program	Min. Total Credits	Min. Credits thro' coursework	Credits thro' Research/ Project	Min. Residence Period #	Normal Period of Completion #	Max. Duration of Completion
Ph.D (Sciences)	20*	12	Completion of Thesis	4 Sems	4 years	5 years
Direct Ph.D (Science)	28*	20	Completion of Thesis	8 Sems	4 years	6 years

* Two 4 credit courses are mandatory as per the following:

- One Review Article and One Project Proposal by selecting topics of high relevance and novelty, and will have state-of-the art review, methodologies, recommendations etc. (2 credits each). This needs to be completed before submission of thesis.
- Six-Eight weeks have to be dedicated on a project concerned with societal/ rural issues under the CSIR-800 Project (4 credits). This needs to be completed before submission of thesis.

Depending on the merit of the case this may be reduced/ waived.

PROGRAM FEE STRUCTURE

Program	Category	Program Fee per annum (INR)	Thesis Submission Fee (INR)
Ph.D	Regular	12,000	5,000
Direct Ph.D	Regular	12,000	5,000

Note:

- Hostel Boarding and Lodging Charges shall be as applicable.
- The above tuition fee is applicable to Foreign Nationals also.

EVALUATION PROCEDURE AND GRADING SCHEME

Letter grades will be awarded for each course reflecting the student's proficiency and instructor's expectation. The grades and their description along with their equivalent numerical values, where applicable, are as follows:

Letter Grade	Performance	Numerical Value
A+	Outstanding	10
A	Excellent	9
B+	Very Good	8
B	Good	7
C+	Fair	6
C	Poor	4
F	Very Poor	2
I	Incomplete*	0
S	Satisfactory (for Thesis)	
X	Unsatisfactory (for Thesis)	

* "I" grade shall be given to students who have (i) Not Attended Classes; and/or (ii) Not been evaluated. This implies repeating the full course.

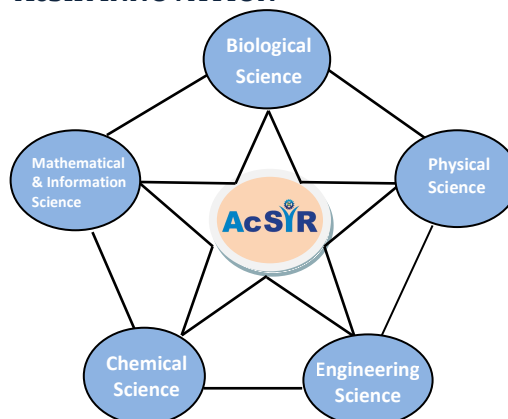

Performance of the student will be evaluated by two indices, Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA). These will be calculated as follows:

- SGPA** = {Sum of (Course credit X Numerical value of course grade)} / Total course credits earned in the semester
- CGPA** = Cumulative points scored in all passed courses / Cumulative credits earned

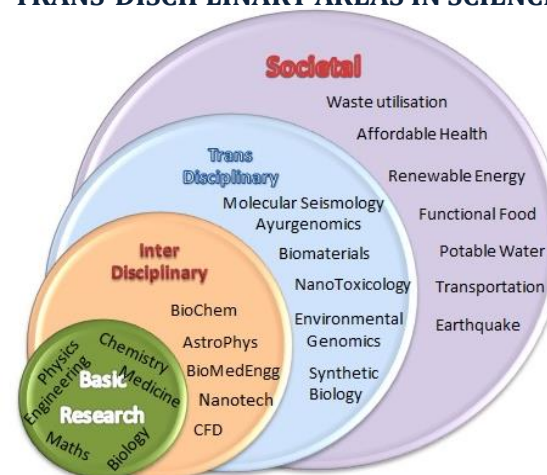

A student needs to have a SGPA of over 6.0 in each semester and a CGPA of over 6.5 from second semester onward for continuation. Minimum grade point to be earned to pass any subject is 6.0.

For distinction, the student need to score CGPA = 8.0 or above.

AcSIR INNOVATION

FOCUS ON INTER-DISCIPLINARY & TRANS-DISCIPLINARY AREAS IN SCIENCES

Ph.D & Direct Ph.D in Science
