

Max Society of Medical Academics Innovation Research (MSMAIR)

Invites applications for

Master of Public Health (MPH) 2025-2027

Under the Aegis of

Academy of Scientific and Innovative Research (AcSIR)**Batch Commencement: August 2025****Venue: Max Network Hospitals****Course Overview:**

The Academy of Scientific and Innovative Research (AcSIR), in collaboration with Max Institute of Medical Education (MIME), New Delhi, India, is offering a two-year full-time Master of Public Health course at Max Healthcare Institute Ltd. This MPH programme is a post-graduate-level degree that allows students to acquire public health knowledge and skills. In addition, the course will prepare them to work with specific populations and communities to improve health - through education, awareness, policy, and research.

The course will be taught by a team of experienced multidisciplinary faculty from reputed public health divisions & various aspects of healthcare. In addition, students will get to attend lectures delivered by guest faculty and a pool of national and international acclaimed adjunct faculty. Mentors/supervisors will be guiding students during the internship and project work (with dissertation).

Eligibility:

Open to graduates from all disciplines, including:

- Doctors, Nurses, Allied Paramedics and other medical professionals
- Healthcare Managers & Public Health Professionals
- Graduates from other backgrounds may be taken into consideration after evaluation of credentials
